BEWILDERED

...SHE'S

A person wearing a red cap and a light-colored shirt is walking on a tightrope. The tightrope is stretched between two points, with a complex network of cables and rigging visible in the background. The scene is set high above a city, with a large, dark, angular structure on the left and a tall, white, cylindrical structure on the right. The sky is a clear, light blue. The person's shadow is cast onto the tightrope below them.

MIO?
